Tuesday – Class worship	Revisit the story. Who showed true respect? Why didn’t others help? Discuss how we can be like the Samaritan in our school or community this week.	Look again at the beauty of creation. Why is it important to respect the Earth, especially oceans? Reflect on small changes we can make to care for the planet.	Reflect on how the father showed love and forgiveness. How do we show respect to family and special people? Think about being thankful and forgiving in our homes.	Talk about how Jesus respected the centurion’s faith and listened to him. How can we listen well and show respect to those who are different from us?	Reflect on how David showed respect and self-control. How do we act when we are angry or treated unfairly? What does this story teach us about showing respect with our choices?	Discuss how Jesus showed respect through a humble act. What are simple ways we can serve others this week to show them they matter to us?	Revisit the commandments that focus on relationships. Why does God ask us to respect parents and not hurt others? How do school rules help us live respectfully together?	KS1 Forest School Day Y6 Leavers’ Assembly – 2 pm
