Kit List

During the activities, Brenscombe provides all the required safety equipment. All clothing should be labelled with the owner's name and participants are responsible for their personal belongings.

We strongly suggest that people do not bring jewellery or new/expensive clothes as the nature of the activities can get clothes wet, muddy or worn.

During water sports activities you will have to wear securely fitting closed-toe footwear that will get wet and muddy.

Things to think about when packing your bag

How many days are you at the Centre?

Are you doing any water sports?

What do you want to wear during the evening or when not on activity sessions?

What will you wear to sleep in or if you need to get up and walk to the toilet in night?

What are you going to keep wet and dirty clothes in after activity sessions?

What's the weather likely to be like?

What to pack
