

Dates and information - Spring 2 2025

The Hungry Caterpillar Class

Welcome to the second half of the Spring Term.

I can't believe the children are already half way through Year 2!

This half term we will once again be geographers as we strive to answer the big question: **Where in the World is Kampong Ayer?** I know the children are going to enjoy learning about this settlement which is over 7000 miles from where we are. Our learning will include looking at houses, transport, forests and the daily lives of the people who live there and comparing it with how we live, work and play in Blandford. As scientists, we will be learning about living things and their habitats. This will link really well to our upcoming trip to Weymouth's Sealife centre.

This term's value is **Perseverance**

Dates for your diary

25th February - children return to school

6th March - World Book Day

21st March - Comic Relief

28th March - Weymouth Sealife visit

5th April - Break up for Easter

Class Organisation

PE will be taught every Monday and Thursday afternoon. Please come to school in the correct kit for cold weather.

Home learning - A home learning task will be sent out each week on a **Monday** and should be returned no later than the following **Monday**.

Spellings will be sent home alongside the homework and will be tested every **Monday**. They will include the words all Y2 children across the country are expected to know and common exception words.

Please ensure you hear your child read at least 3 times a week. Encourage independence, fluency and be sure to ask children questions to develop comprehension.

Please do sign the reading diary in the correct box for each day your child reads.

TTRockstars is a great way to support times tables at home, subsequently supporting them throughout the maths curriculum.
