Homework 24/3/25 – Round each number to the nearest **whole number**

If I let go of the balloon with 2 fingers, the balloon would not move so the '4' would stay the same.
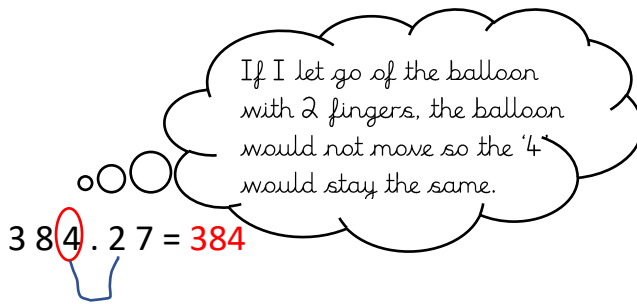

3 8 4 . 2 7 = 384

3.009 =

27162.1 =

87.283 =

90.09 =

4.29 =

27.912 =

209.09 =

6.92836 =

219.82 =

74.982
