

Wednesday 10th December 2025

Dear Parents and Carers,

Our school's social media pages

We are writing to update you about an important change to our school's Facebook presence.

Our original Facebook account, 'Blandford St Mary School', was set up by our IT provider, Oakford, last year as a private profile, which meant that families had to add us as a "friend" to see our updates. To improve how we share news via Facebook and to make our online communication clearer and more secure, we have now created a new official school Facebook page called '**Blandford St Mary Primary School.**'

All of our photos, videos and updates have now been moved to **Blandford St Mary Primary School**, and this is where we will be posting all future content. The previous page 'Blandford St Mary School' is no longer in operation and will not receive any new updates.

To continue receiving news, celebration posts and important information, please ensure you follow our new page, **Blandford St Mary Primary School**. Simply search for **Blandford St Mary Primary School** on Facebook and click Follow.

We know that many of you enjoy staying connected with school life, so we strongly encourage all parents and carers to follow the new page as soon as possible. Our Instagram page remains the same and you can follow us through the following page name: 'blandfordstmaryschool.'

We would like to take a moment to express our sincere thanks for your continued support on our social media platforms. Your involvement strengthens the bond between our school, families and our community. We look forward to sharing many more moments with you!

If you have any questions or need help accessing the new page, please contact the school office and we will be happy to assist.

Kindest regards

Mrs Rosaleen Beaver
Headteacher

Mrs Heather Dolman
Social Media Lead
