

Dear Parents/Guardians,

As part of the schools extra curriculum programme I would like to offer you the opportunity to enrol students for guitar lessons. The lessons will be during the school day and each student will be allocated a twenty minute weekly time slot within the academic terms.

During the lessons students will receive a holistic approach combining both music theory along with practical aspects of guitar playing. With this, students can hope to achieve the knowledge and ability to play their favourite songs and more. Lessons will have a focus in Popular Music covering styles such as Blues/Rock/Pop/Funk/Soul/Jazz. Formal grades are also an option should the extra challenge be desired but not essential if the aim is to simply play recreationally.

Lessons are priced at £12 per session for which an invoice will be emailed monthly. Please do get in contact via the email address below for further information/start dates & times. I very much look forward to hearing from you.
